

# fx-82AU PLUS II

SCIENTIFIC

**\$25.00**

Australia's most popular scientific calculator, approved by Australian Exam Authorities, and the ideal calculator for those at school, university or work needing to complete scientific equations.

The large, 16-digit display allows you to solve complex computations with dual line display for algebraic formulas.

The easy-to-understand user interface with a curated display that mimics a textbook for easy calculation and better understanding.

Suitable for students from Year 7 and up.

### Other features include:

- Random Integer functions
- Multiple intuitive ways to enter fractions
- List-Based data entry for statistics
- Natural textbook display
- Combinations and permutations
- Approved surd and trigonometric calculations
- Coordinate conversion
- Exponential regression
- Multi-replay
- Large, easy-to-read dual-line display
