

HOMework CLUB PROGRAM 2024

Dear Parent/ Guardians,

Your son/daughter has expressed interest in participating in the Holsworthy High School Homework Club that is offered at the school one afternoon a week. The program allows students to access school resources and assistance from teachers which they would otherwise not have the opportunity to work with. Attending Homework Club will allow students to develop their skills and knowledge in any areas they are requiring assistance with:

- Homework
- Assessment tasks
- Research Skills
- Exam Preparation

Homework Club is in the Library every Tuesday afternoon, starting immediately after school until 4.00pm. It is supervised by different teachers each week, allowing assistance across various subject areas. Teachers will provide individual support where possible.

As the program may require students to alter their usual travel arrangements after school, it is essential that you are aware of your son/daughter's involvement. We ask that you sign the permission note below and return it to the Library, Ms Siqueira or the Front Office so that your son/daughter's name can be added to the roll.

We hope your son/ daughter finds the Homework Club beneficial to their studies. Please feel free to call with any questions.

M. Watkins
Principal

S. Siqueira
HT Welfare

Please return to the Library / Front Office.

I give permission for my son/daughter to attend Homework Club. I understand that they will be supervised in the Library and are responsible for making their own way home at 4.00pm .
